

Seaside venues for up to 5,000 people
including accommodation

ABOUT US

Pontins is renowned for holiday parks, founded in 1946 by Fred Pontin. We have five parks, offering swimming pools, nightly entertainment, neighbouring beaches and accommodation. As well as welcoming families to our parks, we also provide exclusive venues for a range of events of up to 5,000 people. Our versatile venues are perfect for any and all events, and our indoor venues also remove the questionable “weather permitting” aspect of an event, whilst still offering the option of outdoor space should you wish to use it.

Here at Pontins, we take a professional but personal approach to event planning, making everything from communication to physically creating the event run as smoothly as possible. Our dedicated Event Specialists have a vast range of knowledge about our parks, so they can provide you with support and advice regarding your upcoming event.
